

**ESCURA**

Prestige and Presence since 1905

# Prestige and Presence

ESCURA is a firm composed by lawyers, economists and social graduates founded in 1905.

A service focused on our client's satisfaction, together with high quality ethical standards and commitment, are part of our identity. Therefore, ESCURA has become one of the references Law firms for a wide range of business associations.

ESCURA delivers legal services to a great number of global companies, who trust ESCURA to supervise and advise their subsidiaries due to our legal specialist knowledge and business framework both in Catalonia and throughout Spain.

ESCURA is, a leading law firm delivering legal solutions to the business community, with more than 90 relevant professionals, including lawyers, tax advisors and human resources specialists. Our strong local practice allows us to have a rapid speed of response to clients at the highest quality standards giving complete legal coverage throughout Spain.

## Chambers and Partners, about **Escura**

*“Escura is one of the most well known and respected law firms. A client centred service, coupled with high quality ethical standards form the basis of the firm’s mission. Its longstanding service ethic has resulted in the firm becoming the reference law firm for a wide range of business associations who trust the firm as the law firm they recommend to their associates.*

*In addition , the specialized knowledge of Spanish and Catalan regulations and business environment has earned them the confidence of a significant number of global companies that rely on the firm for the advice and supervision of its subsidiaries.*

*Escura enjoys a loyal client following, thanks to its proactive, personalised approach. The firm can advise on a range of matters, from corporate and commercial concerns to labour and tax. Clients highlight the flexibility and accessibility the team maintains at all times, as well as a determination to exhaust every avenue of investigation.”*
