

ESCURA RENEWS ITS CERTIFICATION

ISO 9001:2015

AENOR has audited **ESCURA**'s processes and has been awarded with the UNE-EN ISO 9001 and IQNET certification.

The new audit positions **ESCURA** as a reference firm in the quality area.

ESCURA has audited its processes in compliance with its **statement of good practices**, which includes the following commitment:

"Our professional performance is aimed at achieving full customer satisfaction, obtained through process monitoring methods, analyzing the results and adopting improvement measures."

The quality regulating entities, aware of the continuous evolution of the systems, have been modifying the standards to be able to certify the ISO 9001, an authentic reference in the legal sector for the validation of processes.

In **ESCURA** we have obtained the new certification of our quality management systems with a validity until 2024.

Our commitment to quality has also been recognized by more than fifteen employers' organizations, which have approved **ESCURA** as a reference law firm, and we have been recognized by the main international guides such as **Best Lawyers**, **IFLR 1000** and **Legal 500**.
