

Data Protection

*"ADAPT YOUR COMPANY TO THE
GENERAL DATA PROTECTION
REGULATION"*

New Technologies and Data Protection Department

Escura's New Technologies Department has extensive experience in the area of Data Protection, providing professional services to adapt your company to the Data Protection Regulation and to the Law on the Information Society and Electronic Commerce (LSSICE).

The professionals in our office are fully prepared to adapt to Regulation (EU) 679/2016 (General Data Protection Regulation) and the Organic Law 3/2018 Protection of Personal Data and guarantee of digitalrights.

For more information about the services you can contact us through our offices, or via email at escura@escura.com. Yours faithfully,

ESCURA
