

ESCURA

INTERNATIONAL

Your strategic partner for establishing and operating in Spain

We assist companies and professionals from around the world in setting up and developing their business in Spain, offering a comprehensive, coordinated service that is 100% tailored to the needs of each project.

Our multidisciplinary team works to ensure that your arrival in Spain is smooth, secure and free of uncertainty.

What does Escura offer?

A comprehensive, one-stop shop service for your project in Spain.

IMMIGRATION

Fast and effective solutions for working and residing in Spain.

We analyse your personal situation and guide you to obtain:

- Work and residence permits
- International employee mobility
- Visas for executives, specialists and entrepreneurs

TAX & ACCOUNTING

Comply with all tax requirements in Spain without complications.

We advise international companies on:

- Determining whether a permanent establishment exists
- Managing and filing all taxes in Spain
- Bookkeeping

In addition, we assist expatriate employees with:

- Personal tax returns
- Application of the special 'Beckham Law' regime

EMPLOYMENT & SOCIAL SECURITY

Comprehensive employment management for employees in Spain.

- Payroll preparation
- Social Security registrations and deregistrations
- Contracts, dismissals and legal employment support
- Support throughout the entire employment cycle

CORPORATE

We structure your presence in Spain in the most efficient way.

We help you choose and set up the best legal structure:

- Subsidiary
- Branch
- Representative office
- Other structures according to business needs

INTERNATIONAL TELEWORKERS

Does an employee at your company want to work from Spain?

Escura offers a **comprehensive service** covering:

- Tax obligations of the foreign company
- Permanent establishment risk analysis
- Immigration and tax management for the employee
- Social Security and labour compliance
